DESCRIPTION

Summary

Set on 5000sm on the beautiful Havannah Harbour, Solace is a new fully self contained boutique vila, ideal for a couples retreat. Moso Island boasts an ideal micro climate with predominantly fine sunny days. Being off grid in our fast paced world is an attractive option many wish they could experience but often find the distances, ruggedness and costs of the locations out of reach.

This property has struck a careful balance of rustic meeting luxury; a balance of being alone yet not isolated; a balance of activity or solitude. Its your choice. This environment is a blend of two worlds and if you are open to it you will be enriched and find it difficult to leave.
